

INSTITUTE OF FOREST BIODIVERSITY
HYDERABAD

**A Report on Virtual Education Tour of B. Sc.
(Forestry) students of Forestry College, Ponnampet**

16th June 2021

As part of educational tour under course curriculum of College of Forestry, Ponnampet, University of Agricultural and Horticultural Sciences, Final year B. Sc. (Forestry) Students attended the Virtual Tour through an online session owing to the current pandemic situation.

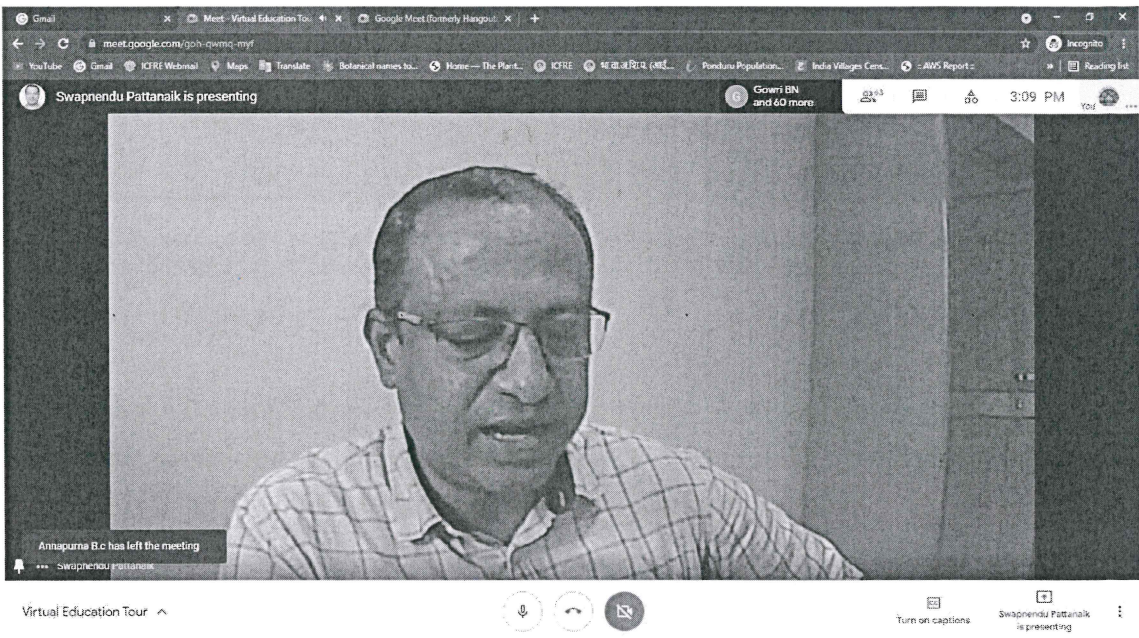

Dr. S. Pattanaik, Sc-F, Head, Genetics and Tree Improvement Division, speaker of the session, welcomed all the Students. gave introduction and explained all the research and extension activities performed by Institute of Forest Biodiversity, Hyderabad. He also explained about activities at research station located at Mulugu, and Forest Research Center for Coastal Ecosystem located at Visakhapatnam. He gave details about the organizational setup of the office and different areas of specialization by the different divisions functioning in the institute.

This was followed by the general discussion, Students enthusiastically interacted with the speaker and clarified their doubts, they raised various queries related to research, consultancies, Detailed Project Report on Rejuvenation of River Godavari through Forestry Interventions, Working Plans, Prakriti program, Van Vigyan Kendras, Peoples' Biodiversity Registers etc.

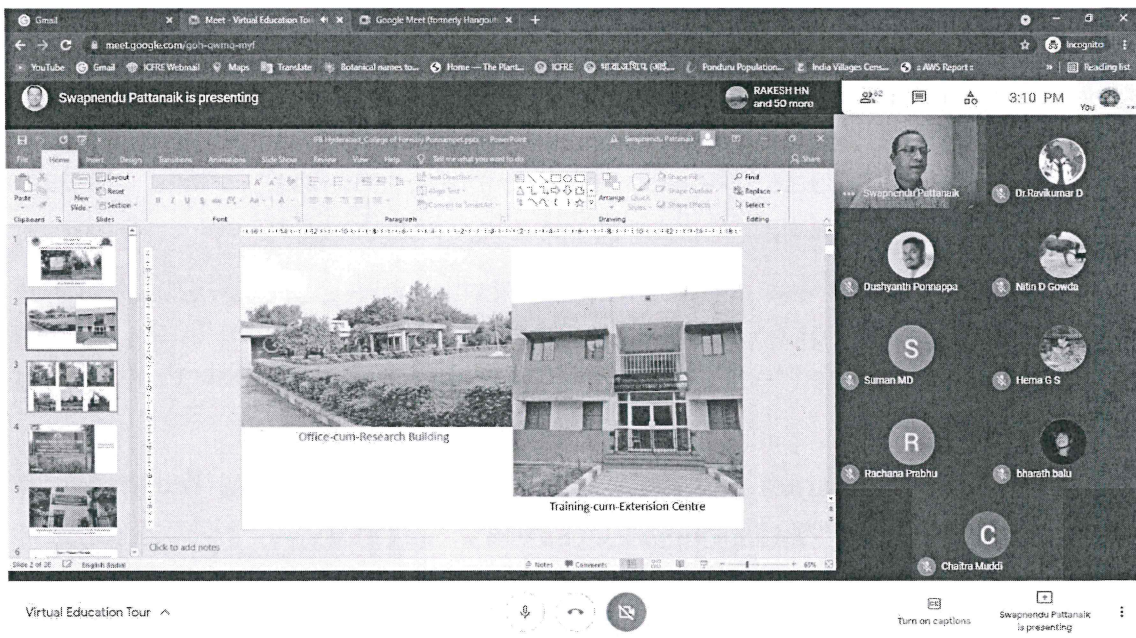

The programme was concluded by vote of thanks given by a student Ms. Harshel Suares. Total of 65 members participated in the session. In the session the students were guided by Tour Leader Dr. Ravi Kumar D, Asst. Professor of Soil Science.

The overall program is coordinated by Shri Varun Singh, Technician & Shri E. Manikanta Reddy, Technician, Extension Division.
