Concise Details of the Event:

Forest Research Centre for Bamboo & Rattan (FRC-BR), Bethlehem Vengthlang, Aizawl, Mizoram (A unit of RFRI Jorhat, Assam) had organized a three days training programme on Value addition of Bamboo shoot at FRCBR Aizawl Mizoram during 27th to 29th October, 2022 funded by ICFRE under CAMPA Extension. The target group of this training were mainly women from the self help group from Sihphir village and MHIP and self help group from village Bethlehem, District Aizawl Mizoram. In this three days training programme **Shri C. Lalsawivunga**, Member of Legislative Assembly (MLA), Aizawl South-1 was invited as a chief guest to inaugurate the training programme. The training programme started with the welcome address by **Dr Hans Raj**, Scientist-E & Head, FRCBR, Aizawl. He also briefed the chief guests resource persons and trainee about FRCBR, VVK and training programme. Welcome address was followed by the felicitation of the chief guest and resource persons.

Shri C. Lalsawivunga in his speech, first of all thanks the FRCBR authority for inviting him as a chief guest as it was his first time to visit the centre. He in his speech further emphasised that, if the youths really work hard and they have determination, then everything is possible and employment and livelihood can be generated in every sector for economic development of the people in any region. He encouraged the entire trainee for active participation in the training programme to acquire the skills required to run small scale bamboo shoot processing entrepreneur.

Dr. C. Lalmuanpuia, guest faculty, Department of Food Technology, Mizoram University and Mr. Lalrinmawia, Entrepreneur, Chawngthu Kitchen Aizawl Mizoram were also present in the inaugural session and they thanks the FRCBR authority for inviting them as a resource person for this skill development training programme on bamboo shoot processing. At the end, Ms Dorothy Lalrinpui, TA, FRCBR delivered the formal vote of thanks and it was followed by a group photo and high tea.
