

ICFRE LEC AGARTALA CONDUCTS TRAINING ON BAMBOO PROPAGATION NURSERY MANAGEMENT AND VERMICOMPOSTING

ICFRE LEC Agartala conducted one day long training on bamboo propagation, nursery management and vermicomposting with the financial support of Seven Sisters Development Assistance (SeSTA) on 20.06.2023 at ICFRE LEC campus. A group of 22 SHGs member including 18 women from different localities in Jampuijala area participated in the training programme.

Inaugural session had started with the welcome address of Shri Niren Das, ACTO & Training coordinator, ICFRE-LEC, Agartala followed by the introduction of trainee. Shri Das briefed the objective and need for the present training programme. He delivered a detailed presentation on this topic. During the training period, conducted Hands-on Demonstration of Bamboo Propagation Methods and Practical Demonstrations Management Practices. Also, the technical details on Vermicomposting techniques involving construction of bamboo vermicomposting unit and its establishment using locally available resources were practically demonstrated. The practical demonstration was also held for application of vermicompost and vermibed wash in nursery management. An interaction session was also held with the participants and taken participants' feedback.

Glimpses of the Training Programme
